

Cleaning carpet spaces in a big way with the ES300

With the ES300 Nilfisk has entered a new era of carpet cleaning. This machine is ideal for cleaning your high and light traffic carpeted areas and not only remove dirt and water, but the machine also meets the highest standards to extend the life of your carpets. Besides its great productivity and cleaning performance ES300 is easy to operate. One convenient feature is the front-mounted drain hose, which makes emptying the tank much simpler and the brush head creates greater contact with the carpet and improved suction, leaving carpets dryer after cleaning. Finally, the compact design makes storage and maintenance much more easy to operate.

Picture shown may not represent model quoted

- Front mounted nozzle makes dumping faster and easier for the operator
- The removable, increased capacity recovery tank along with the stowable handle make dumping and refilling much simpler
- Ergonomic adjustable handle for easy operation – adjusts to the height of the operator
- A floating brush head adjusting automatically for better carpet contact and improved water recovery
- A larger tank with increased water capacity provides extended cleaning time and fewer refills
- Powerful vacuum motor for efficient removal of dirt and faster dry times
- Adjustable handle design for easy maneuverability in tight spaces
- Compact design makes storage and maintenance more convenient
- Quickly switch between cleaning modes
- Large wheels for easy maneuverability for up/down stairs
- One year commercial warranty
