

General cleaning in dust sensitive areas

The VP300 HEPA offers a strong filtration solution for dust sensitive areas. The HEPA filter ensures a higher quality of air with exceptional and efficient cleaning performance.

With a very low level of noise, it is ideal for daytime cleaning in offices, reception areas, hotel rooms and other noise sensitive areas. The VP300 HEPA causes minimum disturbance within the cleaning vicinity.

VP300 HEPA is the latest member of the VP300 series of basic commercial vacuum cleaners, suitable for everyday cleaning of light to medium duty applications such as offices, hotel rooms, retail stores, etc.

- Certified HEPA filter
- Detachable cord for safety and easy maintenance
- Best in class filling capacity, which means less time spent changing dust bags
- Weighs just 5.3 kg (machine only) making it easy to move from place to place
- Low sound level suitable for daytime cleaning
- Secure accessory and power cord storage
- Rear mounted tool parking
- One year commercial warranty
